

Unit 1. Task 3. Tomcat, Jakarta Project, JSP, Servlets

Write a document explaining the following concepts: Tomcat (what is it?, versions, history, current version), Jakarta Project (what is it?, history), JSP (what is it?, pros and cons of using JSP, an example of JSP document), and Servlets (what is it?, difference between servlets and JSP, current version). Moreover, include the biography that you used in order to find the information. Remember the document will be corrected according to the evaluation tool that you have in Moodle. Besides, your document should contain some images about the concepts that you are explaining. **The document must be written in English with your own words.**

Deadline: 2nd of November until 11.55 p.m. (23:55h)

Format filename (PDF): Task3_Unit1_nameSurname.pdf
