1

Unit 2. Task 1. HTTP and HTTPS Protocols

Write a document about HTTP (what HTTP is and basic features, when it was created and its creator, versions, basic architecture, how it works) and HTTPS (what HTTPS is and basic features, how it works, what a HTTPS certificate is) protocols. Moreover, differences between HTTP and HTTPS protocols (pros and cons).

Remember the document will be corrected according to the evaluation tool that you have in Moodle. Besides, your document should contain some images about the concepts that you are explaining. **The document must be written in English with your own words.**

Deadline: 23rd of November until 11:55 p.m. (23:55h)

Format filename (PDF): Task1_Unit2_nameSurname.pdf
